Our Ambassador Program is very simple yet exciting. If you are a senior or know of seniors and want to make some extra cash keep reading, this is for you. The purpose of this program is to promote our quality of portraiture among the seniors. We are looking to have at least two ambassadors for each high school in CT.

Once you fill in the application – the last page of this document which you can print – we will look at it and let you know if you are enrolled in the program. Following are the key points of the program.

1. You will get a free Senior Portrait Session of 1 hour with Claudio Basso. It will be either in studio or outdoor at our discretion. After you made your choice from the proofs we will make you
2. One 8 X 10 Museum quality print for your parents and twenty wallet prints with your image on one side and our studio info on the other. This is a \$ 500 value but you don't have to pay us anything upfront.
3. You will use these wallet prints to promote our services to seniors you know. When you used all the wallet prints you can purchase more at a nominal fee.
4. For every senior who books a session with us you will be recognized a \$ 20 commission. On your fifth referral you will also receive an extra \$ 100 bonus, which totals your earnings at \$ 200.
5. Commissions and bonus are paid to you on the first of the following month after your request is placed. They will be in the form of prepaid Visa Gift Cards issued to your name. They are like cash and can be used to purchase anything you would like.
6. You will receive a digital file of the Ambassador logo which we encourage you to use as your profile picture in Facebook as well as using Facebook to promote our services.
7. We expect you to make at least five referrals in the first six months of your enrollment in the program. If you fail to reach five referrals you will lose your membership in the program and the remaining balance owed to you will be applied against the \$ 500 cost of your original portraiture.
8. If you are a minor we require one of your parents to sign your application to authorize you.
